

Sixth Annual Show N Shine - Granum, Alberta - Thursday, July 1, 2010

Featuring:

Rick Walker & the Old Autos Television crew

That's right, Rick Walker will be on location again this year doing interviews for cars that could be featured on Old Autos Television during the upcoming year.

You and your car could be on TV!

If you wish to be interviewed you should confirm that you will be here in advance by sending us a picture of your vehicle along with a brief story about the car so Rick will have an opportunity to determine in advance which vehicles he may want to profile. Visit www.ivrcanada.com

This will also give us an opportunity to estimate how many vehicles we can expect at the show.
